### LETTER OF APPRECIATION

On behalf of the entire college fraternity, I extend my heartfelt thanks and sincere appreciation to **Dr. Sukhdev Sharma (USA)** for his generous and valuable contribution towards the enrichment of academic resources and library infrastructure of Government Post Graduate College, Chamba.

This noble gesture, made in the loving memory of Late Mrs. Swadesh Sharma, an esteemed alumna of this institution, reflects his deep sense of commitment towards the cause of education and enduring association with his alma mater. His thoughtful contribution will undoubtedly strengthen the academic environment of the College Library and serve as a lasting source of knowledge, inspiration, and benefit for the students and faculty members for years to come.
