Govt. College Chamba Alumni Association (GCCAA) is a registered association with HP Societies Registration Act-2006 with its head office at New Campus, Sultanpur-176314, Himachal Pradesh officially registered on 22.3.2021, though it has been existing for the 1st more than 20 years. Presently, association has its own bank account, PAN and other required documents as well as online registration and communication system. This association aims to provide a common platform to contribute by the old students of the college. It is mention worthy here that the college has been established in the May, 1958 before the statehood and was one of the earliest and premier institutions of the state. So far, this institution has produced many good officers, teachers, engineers, advocates, political leaders, clerks and officials of different cadres.

Since the registration, presently the association has 126 old students who registered them as members in two categories; mentor and normal member. Out of these, 16 are doing their own business, 9 are retired from different departments in different capacities and remaining more than 100 are still in service. The registration process is still in progress and everyone adding new member (s).

GCCAA has successfully executed some important projects, like; beautification of the campus, creation of botanical garden on the one hand and on the other also organise collaborative national seminar in the campus. The botanical garden has been created in the campus with the approximate cost of 50,000=00 and another amount of Rs, 10,000=00 has been spent on the beautification of the campus.

A seminar in collaboration with district administration, Not on Map, Sewa Himalayas ERA and Chamba Rediscovered has been organised on, "Sustainable Development and Rural Tourism" on 21.11.2021 by GCCAA. The seminar focused on different dimensions of sustainable tourism and its role in sustainable livelihood for the people of Himalayan region

and also explore the cultural diversities and how those diversities can be useful for the rural tourism. 12 speakers in the seminar shared their thought on the different aspects of the seminar.

GCCAA is aspiring to work on more different projects, like; Talk with Alumni, Role of Alumni in Career Guidance, Collaborative academic endeavours, Placement drives etc. are few to count.

GCCAA is committed for the overall development of the on-roll students with the help of old students of the institution.
