SEMINAR ON ENTREPRENEURSHIP DEVELOPMENT PROGRAM

Government PG College Chamba held a One Day Seminar on Entrepreneurship Development on February 17, 2026, aimed at fostering entrepreneurial thinking among students. The event featured active participation from students and faculty, with speakers sharing insights on innovation, risk-taking, and problem-solving in entrepreneurship. They stressed that entrepreneurship goes beyond starting a business, focusing on creating opportunities and contributing to economic growth. The importance of startups in job creation and local economy enhancement was also discussed. Students were encouraged to think creatively and engage in their communities. The interactive session provided practical insights into the entrepreneurial journey, making the seminar an inspiring experience for students considering entrepreneurship as a career.

Guest Lecture on Startups in himachal pradesh

On 24 March 2026, the Management Department of Government PG College Chamba organized an insightful Guest Lecture for MBA students. The session was delivered by Dr. Vijay Kumar, who shared valuable perspectives on entrepreneurship and regional development. During the lecture, he encouraged students to explore startup opportunities based on the unique geographical and cultural characteristics of Himachal Pradesh. He emphasized that the state's natural resources, tourism potential, agricultural diversity, and local traditions offer numerous possibilities for innovative business ideas. Dr. Kumar also shared inspiring stories of successful startups from Himachal Pradesh, demonstrating how entrepreneurs have utilized local strengths to create sustainable ventures. These examples helped students understand how regional advantages can be transformed into viable business opportunities. The lecture was highly interactive, and students actively engaged in discussions regarding entrepreneurship, innovation, and startup challenges. The session provided practical insights and motivated students to think beyond conventional career paths. Overall, the lecture proved to be an enriching academic experience that broadened students' understanding of entrepreneurship in the context of local development.

The Annual Function of Government PG College Chamba was celebrated with great enthusiasm on 15 March 2026 at the MP Hall of the college. The event brought together students, faculty members, and distinguished guests to celebrate the academic and cultural achievements of the institution. The program began with a formal inauguration followed by a variety of cultural performances presented by students. These performances included traditional and modern dance presentations, musical performances, and other creative activities that showcased the vibrant talent of the college community. One of the highlights of the event was the prize distribution ceremony, where students who had excelled in academics, sports, and extracurricular activities were honored with awards and certificates. The event served as a platform to recognize the hard work and dedication of students throughout the academic year. The atmosphere of the hall was filled with excitement and appreciation as students participated enthusiastically in every segment of the program. The Annual Function not only celebrated achievements but also strengthened the sense of unity and cultural spirit among the students and faculty members of the college.
